OBJECTIVE

4th-year AI-Enabled BSIT student and DOST-SEI Scholar (GWA 1.35, Candidate Magna Cum Laude) with 430+ hours of production experience as AI Full Stack Engineer and Team Lead. Delivered 12+ live HRIS modules on a SaaS platform, architected a government-deployed sports management system, and a multi-branch business system serving 5+ locations. Led a national-level startup pitch. Proficient in Laravel, React, TypeScript, and CI/CD pipelines. Industry-certified in Google AI Essentials, Google Prompting Essentials, Microsoft AI Fluency, Cloud Systems, and IT Specialist credentials — with consistent leadership and technical execution shipping systems that serve real users.

EDUCATION

Lyceum of the Philippines University – Cavite

Cavite, Philippines

Bachelor of Science in Information Technology | Graduation: August 2026

2022 – Present

- **DOST-SEI RA7687 Scholar** (since 2022) · **Consistent Dean's Lister** (1st Year – Present) · Candidate for **Magna Cum Laude**, GWA: 1.35
- **Silver Medal Award** – Academic Excellence (7 Consecutive Semesters of Outstanding Performance, awarded by LPU Cavite)
- **Best Capstone Nominee** — Among only 3 nominees in the full BSIT graduating batch (GameSchedGo · IEEE manuscript in progress)
- **National IT Skills Competition Participant C#** — Integrated Society of IT Enthusiasts (ISITE) Inc.

Interests	AI-powered full stack systems · Government & enterprise software · Business operations technology · Startup product innovation

WORK EXPERIENCE

StartupLab Business Center & AI Consulting Agency OPC – Startup Incubator

Cavite, Philippines

AI Full Stack Engineer | Team Lead | Backend Engineer

Jan 2026 – Apr 2026

430 hrs verified · 340 Clockify entries · 11.5 weeks · 12+ HR modules built · 1 live production deployment

- Built **12+ mission-critical AI-Powered HRIS modules**— Attendance, Leave, Overtime, Attendance Regularization, Event Workforce Management, Job Requisition, Candidate Onboarding, and Meetings — using Laravel/PHP + React/TypeScript + Inertia.js + Tailwind CSS + shadcn/ui.
- **Led Agile sprints** for 11 consecutive weeks as **Scrum Master**, coordinating directly with the CEO, HR Director, and HRIS clients across 13+ sessions; onboarded full team onto Stats Hero KPI system.
- Deployed to **production on Hostinger** (50+ DB tables migrated); implemented **GitHub Actions CI/CD pipeline**; resolved server crash and scaled from 100-user failure to 1,000-user stress test success.
- Independently prototyped **5 AI HR tools** in 2 days (AI Resume Checker, AI Social Media Screener, AI Interview System, etc.) using Lovable.dev, Bolt.new, Cursor, and base44; developed **68-file technical documentation** library on final internship day.
- Resolved **60+ backend bugs** across 5+ modules; performed multi-tenant architecture implementation ensuring company-level data isolation for enterprise SaaS compliance.

GameSchedGo – City Government of Trece Martires, Cavite

Cavite, Philippines

Lead Developer / Project Leader

Jan 2025 – Dec 2025

- Architected and fully deployed a Sports Facility Reservation & League Management System for a city government, live at **GameSchedGo.com** (Hostinger).
- IEEE manuscript submitted for publication.

Chibis Food Store – Family Business (5 Branches)

Cavite, Philippines

Operations & Full Stack Systems Developer

2022 – Present

- Active in daily operations, business decisions, and process improvement across 5 branches in Cavite since 2022.
- Currently developing (Mar 2026–Present) a **full production-grade all-in-one business system** covering attendance, payroll, inventory, and POS— Stack: Node.js 18 + Express.js/TypeScript · Next.js 14 (App Router) · PostgreSQL + Prisma ORM · Redis · Socket.io · shadcn/ui · Docker.
